Project10 / HMI_1 [KTP400 Basic PN]

HMI tags

AC motor

| | | | | | |
|-----------|----------|---------|---|------------|------------------|
| Name | AC motor | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

AC motor

Axis_1_Pulse

| | | | | | |
|-----------|--------------|---------|---|------------|------------------|
| Name | Axis_1_Pulse | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

Axis_1_Pulse

cap motor

| | | | | | |
|-----------|-----------|---------|---|------------|------------------|
| Name | cap motor | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

cap motor

control signal

| | | | | | |
|-----------|----------------|---------|---|------------|------------------|
| Name | control signal | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

control signal

emergency stop

| | | | | | |
|-----------|----------------|---------|---|------------|------------------|
| Name | emergency stop | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

emergency stop

float sensor

| | | | | | |
|-----------|--------------|---------|---|------------|------------------|
| Name | float sensor | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

float sensor

level sensor

| | | | | | |
|-----------|--------------|---------|---|------------|------------------|
| Name | level sensor | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

level sensor

prox sensor 1

| | | | | | |
|-----------|---------------|---------|---|------------|------------------|
| Name | prox sensor 1 | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

prox sensor 1

prox sensor 2

| | | | | | |
|-----------|---------------|---------|---|------------|------------------|
| Name | prox sensor 2 | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

prox sensor 2

relay signal

| | | | | | |
|-----------|--------------|---------|---|------------|------------------|
| Name | relay signal | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

relay signal

start

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | start | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

start

start_ marker hmi

| | | | | | |
|-----------|-------------------|---------|---|------------|------------------|
| Name | start_ marker hmi | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

start_ marker hmi

stop_ marker hmi

| | | | | | |
|-----------|------------------|---------|---|------------|------------------|
| Name | stop_ marker hmi | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

Tag_1

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | Tag_1 | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

Tag_1

Tag_5

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | Tag_5 | Address | | Connection | HMI_Connection_1 |
| Data type | Int | Length | 2 | | |

Tag_5

Tag_6

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | Tag_6 | Address | | Connection | HMI_Connection_1 |
| Data type | Int | Length | 2 | | |

Tag_6

Tag_8

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | Tag_8 | Address | | Connection | HMI_Connection_1 |
| Data type | Int | Length | 2 | | |

Tag_8

Tag_ScreenNumber

| | | | | | |
|-----------|------------------|---------|---|------------|----------------|
| Name | Tag_ScreenNumber | Address | | Connection | <Internal tag> |
| Data type | UInt | Length | 2 | | |

valve

| | | | | | |
|-----------|-------|---------|---|------------|------------------|
| Name | valve | Address | | Connection | HMI_Connection_1 |
| Data type | Bool | Length | 1 | | |

valve
